RE: FEC LETTER DATED 12/19/2012- AMENDED OCTOBER QUARTERLY REPORT  
FEC ID# C00518241

Dear Ryan,

This is in response to your letter dated 12/19/2012 concerning amended October Quarterly Report. I apologize for the delay as our former Committee Treasurer is no longer with us and had moved on to other endeavors in another state. Please note the following:

1. What seems as excessive contribution by the individual contributor you specified has been corrected to apply the contribution to two separate elections as originally intended by contributor. The individual, along with her husband, had both contributed to two separate elections. The husband's contributions were applied to two separate elections, runoff and general elections. An entry error recorded the wife's contribution to same election rather than designating it for runoff and general. The error has been corrected. Concerning the political committee excessive contribution, part of it was designated to one election by mistake and has been corrected. The other part was a refund of our Candidate's individual contribution by that political committee. Amount refunded was recorded erroneously as a contribution to our committee. This has been corrected on the newly amended report to reflect money owned by our candidate and loaned to our committee.
2. Concerning the 48-Hours notices referred to in your letter as non-reported, ALL had been reported to FEC on time and by fax as 48-Hours reporting (see Attachment on following pages). We had informed the FEC about the software malfunction at the time of the report which left us with only one option to report, those 48-Hours notices you listed, manually and by fax. Reporting was done in time as "Miscellaneous Report to FEC" [see FEC online page# 12030843275 on 07/14/2012, and FEC online page# 12030864923 on 07/28/2012].

The abovementioned report has been corrected and the committee has filed the new amended report. I have tried my best to adequately respond to concerns raised in your aforementioned letter. Please, let me know if you have further questions.

Respectfully,

Jason T. Posey
